

# Thy Brother

Amen I say to you Brother, my arms are not heavy as I carry you out from the Darkness and into the Lords Most Holy Glorious Light. With the Love of the **HOLY SPRIT**, I lift up my hands to our savior Jesus and hear him say do not fear for the God **Our Father** is always near. With outstretched arms and warm embrace, filled with joyous thanks and praise I say Peace be with you thy Brother let us continue our journey to Love and serve the Lord.

AMEN
